Escadas Verticais

Projectamos e fabricamos as nossas escadas e acessórios em conformidade com as mais rígidas normas de segurança. Desenvolvemos qualquer tipo de tampa mais específica para projectos especiais.

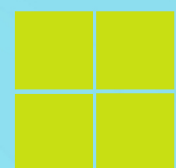

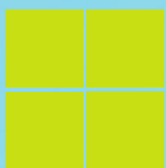

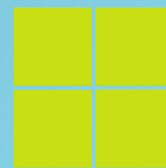

Escadas

Escadas

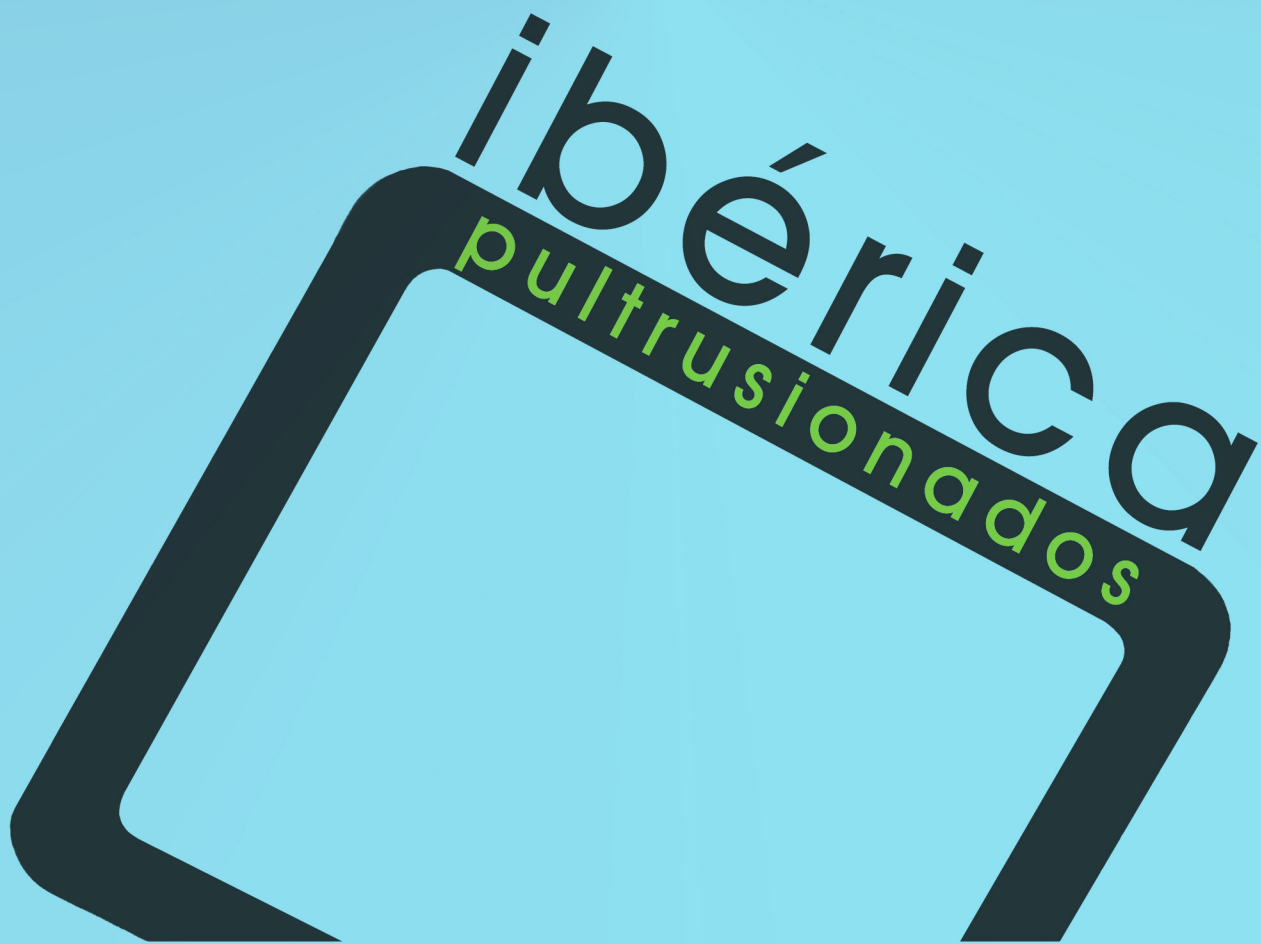

Desenhamos e construímos escadas industriais de elevada resistência, facilmente adaptáveis aos desníveis a vencer, assim como aos atravancamentos existentes.

Dado o baixo peso do material, as escadas podem ser fabricadas por módulos facilmente montados em obra.
